OLD BUSINESS:

Approval of Minutes from August 27, 2018 – Charity sent it approval via email.

Treasurer's Report – update on financials, expenses and donations. Opening balance \$30,369.20. Total deposits: \$986.92, expenses: \$334.00 and current running balance: \$31,022.12.

NEW BUSINESS:

From Rick:

- Smart music update – The district has a policy about what information websites can collect about students. The smart music website requires emails and student names, which would violate district guidelines. Rick is waiting for school district approval.
- T-shirt update – Polo shirts are no longer available through Cutty Clothing (our old suppliers) but through the school, but for \$30/apiece. They do have the school logo. The plan is to order 55 pieces. Since the web site had a certificate issue, Rick to try with Ron after the WIMB meeting.
- The 1st semester calendar reviewed. The next opportunity for bake sale is on 10/12.
- Should the WIMB get an organization credit card? -- Tabled pending further consideration
- The band team is practicing for Winter percussion. The winter percussion competition will in February-March.

From Ron:

- Art and Wine Festival Sept 15/16 – Ron will order ice cream from Smart & Final. We need a parent volunteer to make trips back to Smart & Final (they will store it until we need it). Booth will need to be manned 9-6 on Saturday, 9-4:30 PM on Sunday. We have parent volunteers to cover the Saturday shifts. We need a few more parent volunteers on Sunday. In addition, he needs help to haul items out to the site around Friday 5:30 PM and to haul back when it's done on Sunday around 5:30 PM.
- Bake Sales – September 7, October 12, November 2. The September 7 bake sale was a huge success which ended up in collecting \$401.00 minus Costco cookie expense of \$59.90. Most of the Costco cookies are not consumed and are available with Ron for the next bake sale. Many parents and a few students volunteered to make the bake sale a success.

From Mathew:

- Mailing list distribution: The mailing list is separate from the WIMB web site. The mailing list is maintained by GoDaddy.com tools and it's managed by Marian Lin.
- Rick will connect school loop with the music web site: wilcoxmusic.org.

From Charity:

- None.

Other:

- Diana wanted to know more about the winter percussion and Rick explained the timelines:

VOLUNTEER OPPORTUNITIES - ongoing

- Communications coordinator (emails, calendar, school quarterly newsletter, etc.) -- Charity, Marianne Lin.
