### **NEW BUSINESS:**

#### **From Rick:**

- Winter concert - reception ideas? December 5 will be a long concert. We could have a reception. We can use remaining pre-purchased cookies from Costco and take donations.
- Status of Turkey Trot: we have 32 kids signed up. Transportation will be on your own. We will be positioned at 476 N. 2<sup>nd</sup> Street. We (Charity) will need to open the gate and shed from 7:00-7:10 AM for students with larger instruments to get them, so we can have time to be in position by 7:30 AM.
- Adding Choir date w/SCHS - Wed. March 6th @ SCHS
- Bari sax, marimba - purchase? Will get estimates from Margaret Bergmann. She now owns part of Cupertino Music Store at DeAnza Blvd. and Bolinger.
- Need to purchase new music
- \$600.00 request for repairs. French horn plus trumpet repairs have already come to \$500 for a French horn and trumpet.
- reimburse Charity for repair to bass clarinet. Replacement parts so far cost about \$100; will bring in receipt. Still needs a stand.
- Booster inventory
- Requested reimbursement for new timpani wheels to come from last year's budget.
- Lane has taken a new job and we are looking for a replacement.

#### **From Ron:**

- Treasurer's Report – update on financials, expenses and donations

#### **From Charity:**

- Web site updates, if any.

#### **From Margaret:**

- How can we get parents to volunteer to help at the game?
- World's Finest Chocolate fundraiser: we have ordered 100 boxes and 5 are free. There is no setup fee for the logo since it's already in their files. Delivery will be Nov. 28 or 30. Proceeds will fund purchase of new instruments and music. We can offer prizes for incentives.
