## **Business Use of Home** — Simplified Method Area Adjustment Worksheet

If the taxpayer used the same area for qualified business use for the entire year, complete only Part I; otherwise skip Part I, and complete Part II using lines 1 through 5 to help compute the amount to enter for each month. All amounts reported on this worksheet must be in square feet.

		was used for the entire year.	1\	
		s qualified business use	. "	
		plete line 2 if someone else also used the home to conduct business that qualifies for the deduction; 300 on line 2d and go to line 3	. 2)	
2a)	Area not sha	ared. Enter portion of line 1 that was not shared with another person's qualified business use of the	. 2a)	
2b)	Total area sh	nared with another person's qualified business use. Subtract line 2a from line 1	. 2b)	
2c)	Reasonable	allocation of shared area to this qualified business use	. 2c)	
2d)	Add lines 2a	and 2c	. 2d)	
		d business uses. Complete line 3 if the taxpayer used the home for more than one qualified business enter 300 on line 3d and go to line 4.	3)	
3a)	Total area of	home used for all the taxpayer qualified business uses	. 3a)	
3b)	Maximum ar	ea	. 3b)	300
3c)	Enter the sm	aller of line 3a and 3b	. 3c)	
		allocation of line 3c to this qualified business use		
) Ente	er the smaller	of lines 1, 2d, 3d, and 4. Enter the result on line 2 of the Business Use of Home—Simplified Method		
S) Con	nplete lines 6	yed during the year or was used for only part of the year.  a through 6n if the taxpayer used the area for this qualified business use for part of the year or the s qualifying business use changed during the year.	٦
