Inner-city youth get to experience a once in a lifetime wilderness adventure.

Disconnected from streets, technology and negative influences, they can explore who they truly are.

Learning skills and challenging themselves is only part of what they experience.

EXCITING AND MEANINGFUL TRIPS

There is no substitute for God's beautiful wilderness. The connection to Him in the outdoors is like no other.

Youth get to experience this firsthand through a 7-day fun-filled, yet challenging trip in the San Juan National Wilderness.

The fellowship includes mentoring, skill training, and a Biblical-based identity curriculum along the trail.

Trips challenge young men both mentally and physically.

PARTNERING WITH US

We encourage Ministry and Corporate partnerships. Collaborations like these provide life changing opportunities for these young men. Sponsorships available and all donations are tax deductible.

Ephesians 2:10 - For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.
