

CLASS REUNION

Together
Again!

NORTH ALLEGHENY HIGH SCHOOL

CLASS OF 1975

NOVEMBER 24, 1995

THE CHADWICK

A THANK YOU FROM YOUR REUNION COMMITTEE

The Reunion may be over, but the magic persists.

What a Great Weekend! What a Great Class! It's always a marvel how easily each of us is able to step back slightly and renew these extraordinary and very special relationships that we developed so long ago.

Without much doubt, the Reunion was highly successful, and the most fun and finest affair of this kind that we have had to date. Time passed much too quickly.

In reality though, the Committee would like to place the thanks where they rightfully belong, with each of you. Without your wonderful encouragement and support in this endeavor, no Reunion would be possible. You make things happen with your enthusiasm and good spirit. You're certainly wonderful people, and this Committee is proud to serve the Class of '75. You make our tasks so much easier.

Again, thank you.
