

TENZONE BOWMEN

Bow Rental Scheme

When you have completed your Beginners' Course **PLEASE do not rush out to buy a bow.**

For just £10 per month, you can rent a takedown bow, complete with bag, string, arrows, arrow rest, sight, armguard and stringer. Right and left handed bows are available in different sizes and weights. (For the first few months you will become much stronger, and if you buy equipment too soon, you will possibly need to replace it).

There are Terms and Conditions applicable, mainly due to safety for all.

Please ask for details and see below.

Agreement Terms

Cost / Hire Period

Any equipment is hired to the individual for the sole use of the named person and shall not be lent to or used by any other individual.

The hire agreement runs initially for a period of 3 months and may be extended on a monthly basis.

The cost for this hire is £50. This is made up of a £20 deposit and £30 for the hire period. The hire agreement may be extended at the cost of £10 per calendar month, to be paid IN ADVANCE.

Safety

Every effort has been made to provide the equipment in a safe working condition. It is the responsibility of the Recipient to keep it in this condition.

If the equipment is seen to be unsafe by any Club Officer, the problem **MUST** be addressed before the equipment is used again. Any repairs must be advised to the Club Equipment Officer.

It must be remembered that archery equipment is safe only when used in appropriate environments.

The equipment shall be used only at the Club's field or indoor shooting venue, or at the shooting ground of any other Archery Club.

Exceptions to this must be discussed and confirmed by a member of the TenZone Bowmen Committee, to ensure that proper consideration has been given to safety measures. Your GNAS insurance does not apply to your garden, or any premises or venues other than registered venues mentioned in this paragraph.

Return of Equipment

All equipment borrowed, as itemised, is provided in reasonable condition. Any damage must be made good before return, or discussed with the Equipment Officer of the Club for appropriate compensation to be agreed upon.

At the end of the hire period all equipment shall be returned to the Equipment Officer for inspection, and provided it is in reasonable condition the Deposit will be refunded.

When completing the form please leave the "Bow" and "Limb Poundage" areas blank. This will be completed by the Equipment Officer or other Club official after assessing an individual's requirements.
