YARDI CARD SERVICES Terms & Conditions - We strive to ensure that the payment and personal information you provide to us is kept safe and secure. We have in place certain safeguards to protect the security and privacy of your payment and personal information. We use Secure Sockets Layer (SSL) technology to protect your information while it is being transmitted to us. SSL technology is the industry standard and among the best technology available today for secure commerce transactions. It encrypts your personal information, including payment card number, name, and address, while it is being transmitted over the Internet. To ensure that you are accessing our secure server before you submit personal information, make sure that the URL (web address) begins with "https" (with an "s") rather than "http" (without an "s"). To double-check that you are on our secure site, look for the "closed lock" symbol located near the URL on most browsers. By clicking on this symbol, you can confirm a secure connection, the site's identity, and obtain other helpful security information. For one-time transactions, your card information will not be stored after the completion of the transaction, and any other personal information you provide in connection with a transaction will be handled in accordance with our Privacy Policy.
