Extraordinary Impact Through Simple Actions

Humanity News

Hello Friends

=====

Like many other small charities, the Coronavirus pandemic has hit us especially hard. Since the start of this pandemic donation streams have been drastically reduced. We have made the best of this situation by streamlining our spending as much as possible and stretching our finances as best as we could to introduce our projects. Nevertheless, our projects cannot move forward without your help.

Please support us by donating towards our GofundMe campaign. Committing to monthly donations is a great way to help us secure the Foundation's projects.

We have so much to achieve over the next few years to come and we have never needed your support more than now. Please help us today by donating to Expressions of Humanity Foundation!

We are now 501(c)(3) and your donations no matter how small or large are all tax deductible.
