Birth date: _____ Email: _____
Date of adoption: _____

The following are obligations agreed upon by both Poppy Bee Hamstery and the buyer/adopter for sale of the above-mentioned hamster.

Poppy Bee Hamstery ensures to the best of our knowledge that the above hamster is in good health. It is the buyer's responsibility to inspect the hamster prior to taking it home. All sales are final. If for some unforeseen circumstance the hamster becomes ill or dies within 10 days of purchase, Poppy Bee Hamstery agrees to replace the hamster (the buyer will be placed at the top of our wait list if there are no hamsters available). This guarantee does not apply if the above hamster was harmed due to neglect or negligence on the buyer's part.

The buyer agrees to provide an appropriately sized enclosure, with at least 600 square inches of unbroken floor space. The buyer agrees to provide proper nutritional requirements; a base diet of lab blocks, supplemented with a seed mix, along with fresh vegetables and fruits. Please refer to Poppy Bee Hamstery's website for a list of appropriate lab block and seed mix brands, as well as safe and unsafe fruits and vegetables. The buyer agrees to provide appropriate substrate bedding (only aspen wood shavings or unscented paper-based bedding are safe substrate for hamsters, pine or other soft-wooded can cause respiratory illness). The buyer agrees to provide a 10 to 12-inch diameter solid bottomed running wheel, and hamster-safe materials to chew on.

By signing this contract, the buyer agrees not to breed the hamster. If said hamster transfers ownership to another party, buyer agrees in good faith to extend the non-breeding contract to the third-party recipient.

The buyer agrees to contact Poppy Bee Hamstery if they are no longer able to care for the hamster. Poppy Bee Hamstery cannot offer a refund for the hamster but will work with the buyer to find a new home, or alternatively, will accept a returned hamster on the condition that an appropriately sized enclosure is provided for it by the buyer.
