Big Sky House Rules

THE SHOW COMMITTEE HAS THE RIGHT TO CANCEL/COMBINE DIVISIONS BASED ON ENTRIES

Concours d' Elegance

- The essence of the competition is the word "Elegance". The winner will be the turnout, which, in the opinion of the judge, presents the most elegant effect. This will include vehicle, harness, appointments, horse(s), driver, passengers, grooms, etc., but above all, general impression is most important. Vehicle and harness may be inspected to ensure thoughtful restoration and careful maintenance. Attention will be paid to the personal appearance of the driver, grooms, and passengers as it contributes to the overall picture. Period costumes are definitely prohibited. Performance will not be judged unless it detracts from the elegance of the turnout.
- Will be judged by overall impression throughout the competition.

Ladies/Gentlemen/Juniors Championship

Ladies, Gentlemen and Juniors will accumulate points, according to class placement, for Championship status over the entire pleasure show.

Cones Challenge Division

This division will be split into Horse, Pony and VSE depending on entries. A Champion and Reserve Champion will be awarded.

- Big Sky Town and Country Obstacles
- Big Sky Main Arena Cones Class
- Big Sky Belle Cones Class
- Big Sky Twin Gates Faults converted to time
- Big Sky Cones Forward...Backward

Turnout and Working Class.

- These will run simultaneously in the main ring and will be awarded as 2 separate classes.
- Turnout portion will be judged primarily on the quality of the overall turnout.
- Working portion will be judged on the suitability of the horse/pony to provide a pleasant drive. Entry to show both ways of the ring at a walk, slow trot, working trot, and strong trot. To stand quietly both on the rail and in the lineup, and to rein back. Entries may be asked to do an individual workout and execute an appropriate test by the judge at any gait.

Reinsmanship

- Entries are judged on the ability and skill of the driver at a walk, slow trot, working trot, and strong trot. Entries will be required to rein back. Judge will ask each entry to perform an appropriate test that demonstrates the driver's ability in reinsmanship.

Timed Cones

- This class will be held in the main ring, with numbered cones. The course will be free flowing and designed to highlight the gaits of the animal used in driving as well as the skillset of the driver. This will be a timed class. (This class is also a part of the Cones Challenge Division)

Town and Country Obstacles

- This class is a timed class, similar to timed cones but will have the addition of obstacles that may be encountered while out driving... for example mailboxes, trash cans, tractors, flag poles. Cones to be placed in or around obstacles. (This class is also a part of the cones challenge division)

Pleasure Drive/Pace

- This will be a cross country course through numbered gates. This class will be optimum time. There will be elements added to the course to test the ability of the driver and animal. This will be a fun interactive course designed to highlight skills of the driver and animal while out pleasure driving.

Safari Drive

- This will be the same course as the Pleasure Drive/Pace with the addition of hidden stuffed animals along the way for the driver and or passengers to properly identify in correct order and fastest time.
