### **Waiver of Liability**

I, (the Client), agree to release ALANA BASAMANOWICZ (Hypnotherapist CHT & REIKI MASTER TEACHER Practitioner), of any responsibility or injury occurring from my session(s).

You affirm that Hypnotherapy and or Reiki is appropriate for you and does not conflict with existing medical or psychiatric treatment. Always seek and follow the advice of your physician or other professional medical practitioner before considering alternative treatment.

Hypnosis methods used are designed to facilitate the client's quest for self-improvement and relaxation. Specific additional techniques may include: Body Relaxation, Directed Meditation, Age Regression, and Guided Imagery.

I understand that Reiki is a simple, gentle, hands-on and hands-off energy technique that is used for stress reduction and relaxation. I understand that Reiki practitioners do not diagnose conditions nor do they prescribe or perform medical treatment, prescribe substances, nor interfere with the treatment of a licensed medical professional. I understand that Reiki does not take the place of medical care. It is recommended that I see a licensed physician or licensed health care professional for any physical or psychological ailment I may have. I understand that Reiki can complement any medical or psychological care I may be receiving. I also understand that the body has the ability to heal itself and to do so, complete relaxation is often beneficial. I acknowledge that long term imbalances in the body sometimes require multiple sessions in order to facilitate the level of relaxation needed by the body to heal itself.
