PERFORMANCE
LIVESTOCK ANALYTICS

Performance Beef:

Tracking costs made easy

- Track every pound loaded and delivered
- Build and change rations
- Pull accurate invoices at the touch of a button
- Generate real-time closeout reports
- Record pen and pasture treatments on the go
- Analyze trends in feed intake, added costs and performance
- Manage feed, medications and other inventory

“Performance Beef is a great snapshot of what our bottom dollar needs to be when we’re selling these bulls. If any of these bulls aren’t going to make that, it makes culling decisions much easier.”

- Denise Loyning
