Agreement to Arbitrate. Please carefully read this provision, which applies to any dispute between you and GMI Inc. and its affiliates (together “GMI Inc”).

If you have a concern or dispute, please send a written notice describing it and your desired resolution to support@greenmotorsindustry.com

If not resolved within 60 days, you agree that any dispute arising out of or relating to any aspect of the relationship between you and GMI Inc will not be decided by a judge or jury but instead by a single arbitrator in an arbitration administered by the American Arbitration Association (AAA) under its Consumer Arbitration Rules. This includes claims arising before this Agreement, such as claims related to statements about our products.

We will pay all AAA fees for any arbitration, which will be held in the city or county of your residence. To learn more about the Rules and how to begin an arbitration, you may call any AAA office or go to <http://www.adr.org>.

The arbitrator may only resolve disputes between you and GMI Inc and may not consolidate claims without the consent of all parties. The arbitrator cannot hear class or representative claims or requests for relief on behalf of others purchasing or leasing GMI Inc products. In other words, you and GMI Inc may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as injunctive or declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated.

If you prefer, you may instead take an individual dispute to small claims court.

You may opt out of arbitration within 30 days after signing this Agreement by sending a letter to: GMI Inc, 3200 Guasti Road, Ontario, California, 91761, USA, stating your name, product, and intent to opt out of the arbitration provision. If you do not opt out, this agreement to arbitrate overrides any different arbitration agreement between us, including any arbitration agreement in a lease or finance contract.
