

Activity 4

Snout would like you to come into his world. If you go out into your own or a friend's garden, can you find things that you think Snout might like?

Bushes

Wood Pile

Soil

Long Grass

Flowers

Pond (with an exit)

Piles of leaves

Anything else you think he may like?

Are there things you could add to your garden to help Snout?

Tick things below that you want to do with your family in the garden to help hedgehogs:

Put a hole in the fence

Make a wood pile

Leave the grass longer

Plant some ground covering plants

Stop using slug pellets and pesticides

Make a bug hotel

Leave some leaves through the winter

Leave out a shallow bowl of water
