FA Veterans FC

2024 Tour Game 1

Colchester United

Monday 29th April 2024

Kick - Off 6:00 pm

Welcome to FA Veterans' 2024

Today see the first FA Veterans event of 2024, here at the Colchester Community Stadium in Essex, the home of Colchester United.

Congratulations to our hosts in securing their EFL status on Saturday at their final league game of the season.

After our very successful 2023 year of events, it's been a slow start to our games for 2024.

We now embark on a series of four games in 30 days, and maybe 5, if Swindon Town agree a replacement date.

Thanks to our hosts Colchester United today, our officials and hope all our players enjoy the evening as much as they have all our previous events.

Colchester United

Colchester United are one of more 'younger' clubs in the Football league, being 87 years old, after being formed in 1937.

The U's were elected into the Football league in 1950 after spending all their initial years in the Southern League.

Playing at Layer Road nearer the centre of the town, the club moved to their new stadium, on the outskirts, where we play today, at the start of the 2008/9 season.

The club spent two seasons in the conference (now National League) after losing their Football League status in 1989, finishing the first season as runners up and the second as champions.

From 2006 to 2008 the club played at it's highest level competing 2 years in the championship.

Colchester Community Stadium has a capacity of 10,105 and the record attendance at the ground was 10,064 when Colchester hosted Norwich City on 16 January 2010.
