Bradford Park Avenue & Horsfall

Bradford Park Avenue actually began life as Bradford FC in 1863 playing Rugby Football!

In 1907, the 'Great Betrayal' occurred abandoning Rugby for Association Football.

In 1907, the 'Great Betrayal' occurred abandoning Rugby for Association Football.

In 1908 the Green Army were elected into the Second Division of the Football League, following in the footsteps of rivals Bradford City.

They unfortunately became one of the first clubs post war to be voted out of the football league after having to apply for re-election, replaced by Cambridge United.

Park Avenue folded as an entity in 1974, after selling assets during the season including their ground.

Horsfall saws officially opened in 1931 as an athletics venue and upgraded to include football in 1996, when the reborn Bradford Park Avenue moved to the stadium.

The main stand at the Horsfall was renovated in 2007, with 1,800 seats coming from the renovation of Lords Cricket Ground!

In the Football League, Park Avenue have won the Third Division North, once, in 1928, and runners up in Second Division (1914), Third Division North, twice (1923 & 1926), and runners up in the fourth division, once (1961).

The Green Army have reached the Quarter Finals of the FA cup, in 1913, 1920, and 1946, since reformed they have reached the First Round proper on three occasions, the last in 2012~2013.
