

FA Veterans FC

2023 Tour Games 6 and 7

Lincoln City

Thursday 18th May 2023

Kick - Off 10.30 am

Walsall

Friday 19th May 2023

Kick - Off 10.30 am

It's the East & West Midlands turn

For another 'two games in two days' FA Veterans Event. Hopefully not as many stiff limbs as two weeks ago in the West Country at Plymouth Argyle and Bath City.

Games coming Thick and Fast this Month, but they feel like they are zooming through, only two games after Walsall remaining for our Summer Campaign.

It's also time to start looking North of the Border for our annual Scotland weekend, which I'm proposing is during the International break in September.

I hope all the players, officials and supporters enjoy these games as much as they have in all our previous events.

The Imps and the Saddlers

Founded in 1888 as Walsall Town Swifts, becoming Walsall Fc in 1896.

Founded in 1884, Lincoln and nicknamed the Imps after the legend of the Lincoln Imp.

Bescot Stadium is the 4th home for the club after starting life at the Chuckery, playing to West Bromwich Road for 3 years, moving to Fellows Park, where they called home from 1896 to 1990 when they moved just down the road to the Bescot.

The Imps have won tier 3 of the Football League 3 times, and runners up 3 times, whilst also winning tier 4 twice, runners up and third once but also have the distinction of winning tier 5 (Conference) twice.

The Bescot Stadium holds 11,300 spectators and was built at a cost of £4.5 million.

Lincoln have played at Sincil Bank since 1895, making it one of the oldest venues in the EFL..

The Saddlers have won tier 4 of the football league twice, and runners up twice, whilst being runners up in tier 3 twice and winning the play-offs from that tier twice as well.

Overlooked by Lincoln Cathedral, Sincil Bank holds 10,120 spectators and has been known as the LNER (London North Eastern Railway) Stadium in 2019 in a sponsorship deal that is up for re-negotiation now!
