Heading Westwards

For the another 2 games of our FA Veterans FC tour games for 2023. and our first venture into the 'West Country'.

Double issue programme as with our Scotland weekends, to cover both our games over the two days, looking forward to games at two historic venues.

This is the start of an incredibly busy period of games at venues stretched right across the Country from the far West to the Midland and the North, with 7 Games in the next Month.

I hope all the players, officials and supporters enjoy these games as much as they have in all our previous events.

The Pilgrims and the Romans

Plymouth were formed in 1886, but as Argyle FC, origins of the name differ.

Founded in 1889 as AFC Bath, changing their name to Bath City in 1905.

As Plymouth Argyle they became a founder member for the expansion of the Football League to a Third Division in 1921, when for six seasons consecutively finished 2nd without promotion.

The Romans (Obvious nickname with local links!) have played at Twerton Park since 1932, and Twerton also witnessed League football with Bristol Rovers, from 1986-1996.

The Pilgrim's Home Park ground was almost completely destroyed during the blitz in WW2 and totally rebuilt until it's current more recent renovation.

Although Bath have never played in the Football League, they have actually won a Football League competition, securing the Football League North during WW2.

Argyle have won the Third Division/League One 4 Times, the Fourth Division once ad the Southern Football Laegue once.

Blackpool and England Legend Stan Mortensen made 40 appearances for Bath City in the 1958/59 season, scoring 27 Goals in this time.
