## 2023 Tour Game 8

# Wolverhampton Wanderers

Tuesday 23rd May 2023

Kick - Off 10:00 am

# Welcome to the Black Country

For our eighth outing of 2023, and our 6th in the last 20 days!

An incredible run of entertaining and successful games has seen us travel from the deep South West of the Country to the Wirral and the East and West Midlands, those who have played in all, and there are quite a few, have certainly racked up the mileage recently.

Sad to see us lose, hopefully very short term, both Dean Twyman and Dave Heason in recent games, we all hope you recover from injuries very quickly.

Let's hope today event is yet another enjoyable one for all our players, supporters and officials.

# The Wolves and Molineux

Formed as St. Luke's F.C. in 1877, the club changed name to Wolverhampton Wanderers two years later and became one of the founding members of the Football League in 1888.

In the summer of 1889 the club moved to its permanent home ever since, Molineux.

After becoming one of the first British clubs to install floodlights at its home ground in 1953, Wolves arranged televised "floodlit friendlies" against leading overseas club sides between 1953 and 1956, which were instrumental in the launch of the European Cup (now known as the UEFA Champions League) in 1955.

In the days before seating regulations, the ground could hold more than 60,000 spectators, with the record attendance being 61,315 for a First Division match against Liverpool on 11 February 1939.

Wolves have been champions of all four tiers of the English League: Tier One (3), Tier Two (4), Tier Three (3) and Tier four (1), also winning the FA Cup on 4 occasions, the League cup twice and the Charity Shield 4 times, along with the Football League Trophy, Football League War Cup and the Texaco Cup.
