

WHY CHOOSE US?

TOP 5 REASONS TO CHOOSE EN L'AIR...

1. Curriculum and Choreography - We are the only studio in the area to exclusively offer Twinkle Star Dance™ Curriculum and Choreography that was developed by top dance professionals over the last 20 years. Dancers learn technique and terminology in a positive, creative environment that is age-specific and fun!
2. Limited Class Sizes - To ensure a positive learning environment and continued growth, all of our dance classes are limited in size and concentrate on dance technique and terminology for the appropriate stage of your child's development.
3. Instructors - Our instructors are highly-qualified dance professionals with certifications and continued training on the Twinkle Star™ and Show Stars™ dance programs.
4. Customer Service - We strive to create an environment where our teachers can focus on teaching. That's why we're proud of the many innovations we've adopted to make your family's dance experience positive. From a well-maintained facility to a simple, streamlined registration process and a world-class costume and dancewear ordering system. En L'air is on the cutting edge of dance management technology.
5. Performances - Our goal is to cultivate a community centered around our dance families, that's why we offer opportunities like the Daddy Daughter Dance to get our families more involved. Dance is a performance art and we work each season to get even our littlest movers ready for the stage at our annual June concert.

Congratulations, you've decided to enroll your child in dance!

Dance offers your child years of memories, a safe place where they cultivate friendships unlike any others they will have; a special bond with their dance classmates. Dance will teach your child about the reward of hard work, the joy in performing, and a feeling of pride as they accomplish things they never imagined possible. En L'air students grow up to become confident, responsible, compassionate adults.

TWINKLE STAR DANCE™ AGES 2-6
