To answer the call or not?! Being creative allows you to have fun, to experiment, to unleash your passion and share it with others. This has been a huge month for me. Sold and delivered two artworks, received a merit award at the Plano 125 Art Exhibition, and got a call from the Salmagundi Club in New York City that my artwork "Centre Ville" had been awarded First Place in their Annual Open Photographic Exhibition which was on display the whole month of June. Best part is when you hear the squeals from your sister or friends or peers that all share in your journey to be free to express yourself!

AI have two pieces in the show pairing poetry with art called "Merging Visions" and two pieces in the VAST Member Show. One of the pieces won second place! Both shows are at the Denton Arts Council.

I also have a new art studio Called the Art Center at [New Song School of the Arts](#) where I am an Art Teacher and Art Director. It is beautiful!

Georgia R. Neame

I submitted two pieces to Summer Whimsy Pop-Up Show at the Lincoln Center in Dallas. Over 70 beautiful artworks were submitted to the show. The management company chose 25 pieces for their current show and of those two of mine were selected. Show is at Lincoln Center Dallas Tower II located at 5430 Lyndon B Johnson Fwy, Dallas. Exhibit is June 24-July 12.

On June 15, I painted en plein air in the Wayne Ferguson Park.

Francesca d'Atria Romano

Francesca d'Atria Romano has recently been offered an absolutely wonderful opportunity to teach printmaking in China's National Printmaking Museum for one month, all expenses paid.

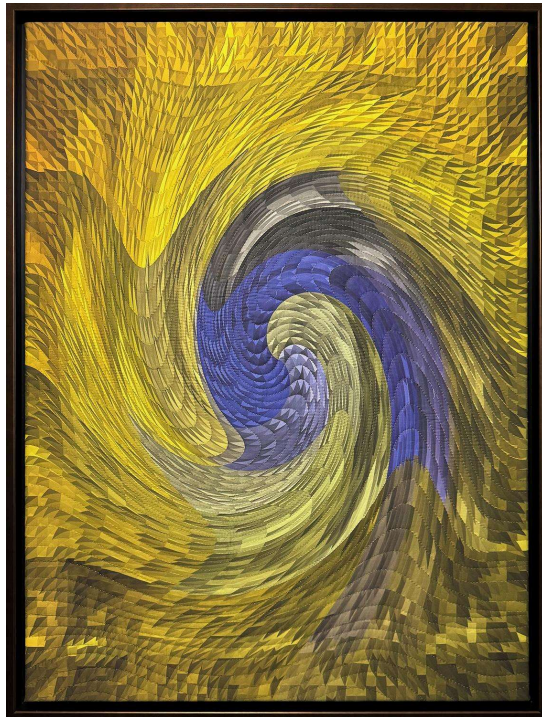

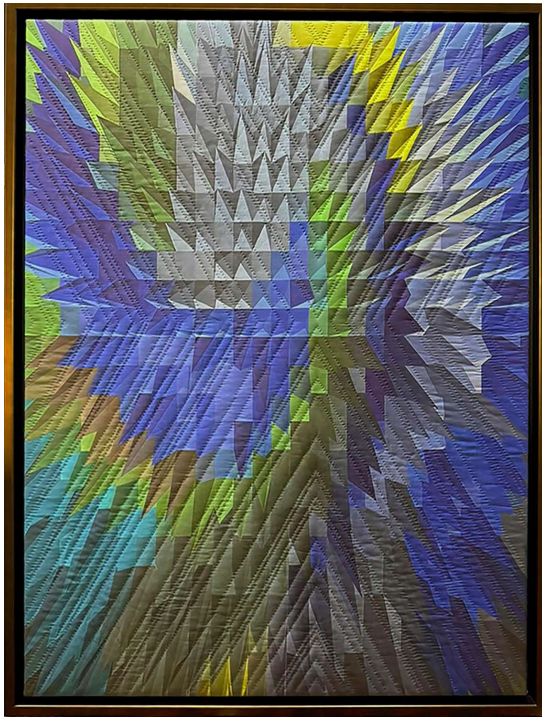

Francesca is seriously thinking about doing this in the future. This will give her an opportunity to once again work in her field of etching and printmaking and exhibit at this wonderful Grande museum.

Tina Alvarez

Tina Alvarez will have nine of her most popular photographs displayed at the Flower Mound Town Hall through the end of July. A "Meet and Greet" reception will be held at Town Hall on Thursday, July 18 from 6-7:30 p.m. All are invited.

Marilyn Henrion

Marilyn Henrion has begun work on a new series entitled Chromatic Geometry. These mixed media works (40"x30") are hand quilted. The first two (The Geometer's Hand 1 and 2) are pictured.
