Old Business:

- a. Passwords and Bank login information - All passwords, security information, etc. for Quickbooks have been received from former director Kolton. Chairman Bunce and interim director Grupido will arrange a time to meet at the Northern Lights Credit Union to add Grupido as a signatory and remove Kolton. Grupido mentioned that the district has been contacted regarding possible damage to one of the fish bunks, and a displaced sign from the AuTrain Fishsticks project. The sites of these fishbunks and signs were listed in a spreadsheet that was originally created by Moleski, but Grupido no longer has access to this file. Grupido also asked for Thursday 6/25, Friday 6/26, and Monday 6/29 off for vacation.
- b. Mining Journal Ad - Pricing for placing an ad with the Mining Journal fell into three tiers. Package "C" at \$390 included the 30 day ad in the classified section of the newspaper, posting to multiple online job search networks, and automatic distribution to top job banks. Todd moved to approve the purchase of this ad with a start date of July 14th, 2026. Motion was seconded by Ludecke. All in favor; motion carries. Bunce added that Rivka will post the position to the MCD website, and that Marquette Conservation District has reached out to some of the candidates from their director search to notify them of the opening.
