

# Relocation Advice for Small Business Owners

When relocating to a new city, there are a number of factors to consider both professionally and personally in order to ensure a smooth transition!

## THE BUSINESS SIDE OF RELOCATION:

### 1. Research Locations

Consider the demographics, competition, and zoning laws of each area. Make sure the location is a good fit for your business as well your personal needs. If you cannot envision making a life for yourself in the new location, especially if also moving a partner and/or kids, the personal cost may far exceed the business opportunity. [READ MORE](#)
