

AYALA CUSTOMS

Custom hand crafted dungeon furniture
& BDSM equipment for residential
and commercial adult play spaces.

Spinning St. Andrews Cross

This cross is designed for heavy duty play. Spin your consenting partner around smoothly into multiple positions including upright, back flat, and upside down. It's made from materials able to safely and easily lift and maneuver up to 400lbs, and must be installed into the ground. Customization options include colors and/or material covering.

X Height = 94"

Width = 48"

Center, floor = 35"

Center, back = 39"

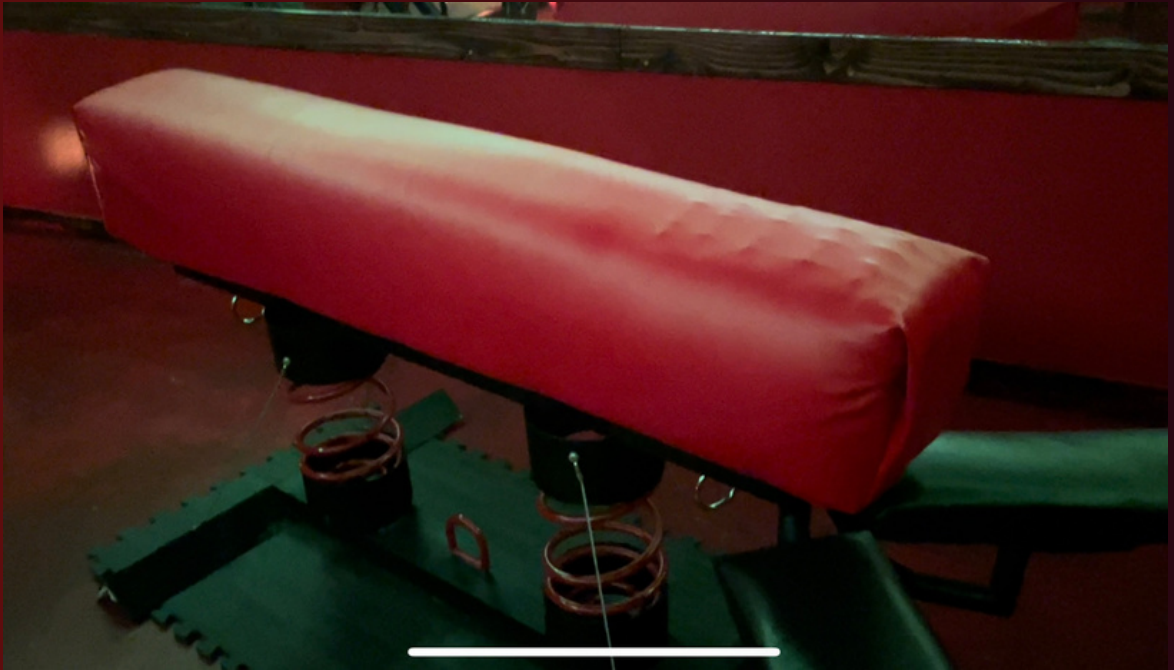

Width, back bar = 56"

Starting at \$4000

Spring Loaded Spanking Bench

This is no ordinary spanking bench. Built for comfort and functionality, this bench has the perfect height and bounce ratio to get the job done every single time. Add extra kink by use of the multiple bondage points.

Customizations available including bench size, colors, and base.

Width: 36"
Length: 66"
Height: 29"
Weight: 300 lbs

Starting at \$3900
Allow 8-12 weeks delivery

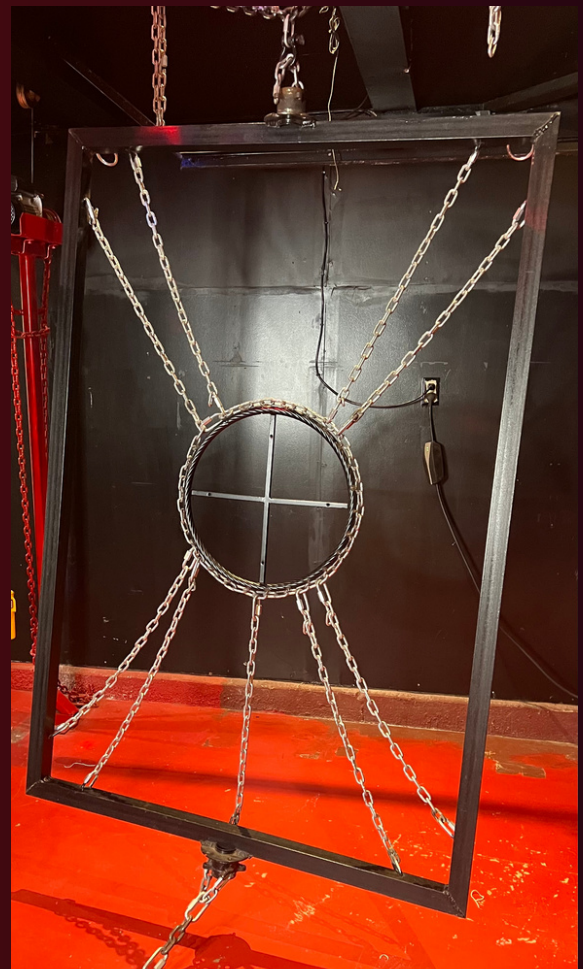

Metal Spinning St. Andrew's

This St. Andrew's is made entirely of metal and chain. The cross was made to be chained both to the floor, and to the ceiling, in a suspended state.

Connect the top two chains to hold the St. Andrew's in place, or disconnect them and the cross will remain attached to the center wheel bearing, and the St. Andrews will spin smoothly.

Width: 52"
Height: 76"
Weight: 300 lbs

Starting at \$2300
Allow 8-12 weeks delivery

Four Post (6x6) BDSM Bed

This is a true BDSM bed. This four post bed is extremely solid, and built with multiple purposes in mind including spanking bench all the way around, multiple bondage points, and even suspension points. Customizations available. Built for King mattress. Mattress not included.
