

Specific Instructions

Note. You can duplicate Parts I through III if you need more copies. Number each page of each part.

Part I. In column (a), identify the first contributor listed as No. 1 and the second contributor as No. 2, etc. Number consecutively. In column (b), enter the contributor's name, address, and ZIP code. Identify an "anonymous" donor if the organization has actual knowledge of such donor's identity. In column (c), enter the amount of aggregate contributions for the **tax year** for the contributor listed.

In column (d), check the type of contribution. Check all that apply for the contributor listed. If a *cash contribution* came directly from a contributor (other than through payroll deduction), check the "Person" box. A cash contribution includes contributions paid by cash, credit card, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

If an **employee's** cash contribution was forwarded by an employer (indirect contribution), check the "Payroll" box. If an employer withholds contributions from employees' pay and periodically gives them to the organization, report only the employer's name and address and the total amount given unless you know that a particular employee gave enough to be listed separately.

Check the "noncash" box for any contribution of property other than cash during the tax year, and complete Part II of this schedule.

For a section 527 organization that files a Form 8871, Political Organization Notice of Section 527 Status, the name and addresses of contributors that are not reported on Form 8872, Political Organization Report of Contributions, and

Expenditures do not need to be reported in Part I if the organization paid the amount specified by section 527(j)(1). In this case, enter "Pd. 527(j)(1)" in column (b) instead of a name, address, and zip code; but you must enter the amount of contributions in column (c).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. In column (b), describe the **noncash contribution** received by the organization during the tax year. Note the public inspection rules discussed earlier.

In columns (c) and (d), report property with readily determinable market value (for example, marked quotations for securities) by listing its **fair market value (FMV)**. If the organization immediately sells **securities** contributed to the organization (including through a broker or agent), the contribution still must be reported as a gift of property (rather than cash) in the amount of the net proceeds plus the broker's fees and expenses. See the instructions to Form 990, Part VIII, line 1g, which provide an example to illustrate this point. If the property is not immediately sold, measure market value of marketable securities registered and listed on a recognized securities exchange by the average of the highest and lowest quoted selling prices (or the average between the bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When FMV cannot be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution subject to an outstanding debt, subtract the debt from the property's FMV. Enter the date the property was received by the organization, if the donor has fully given up use and enjoyment of the property at that time.

For more information on noncash contributions, see the instructions for Schedule M (Form 990), Noncash Contributions.

If the organization received a partially completed Form 8283, Noncash Charitable Contributions, from a donor, complete it and return it so the donor can get a charitable contribution deduction. Keep a copy for your records.

Original (first) and successor donee (recipient) organizations must file Form 8282, Donee Information Return, if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (property other than money or certain publicly traded securities) within 3 years after the date the original donee received the property.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions for use exclusively for religious, charitable, etc. purposes during the tax year must complete Parts I through III for each person whose gifts totaled more than \$1,000 during the tax year. Show also, in the heading of Part III, total gifts to these organizations that were \$1,000 or less for the tax year and were for exclusively religious, charitable, etc., purposes. Complete this information only on the first Part III page.

If an amount is set aside for an exclusively religious, charitable, etc., purpose, show in column (d) how the amount is held (for example, whether it is commingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.
