

ELITE CATTLE SYSTEM

100% CUSTOMIZABLE FOR EVERY OPERATION

**WE BUILD
SYSTEMS,
NOT JUST
PANELS.**

The Modular cattle-working system is 100% customizable – designed to be easy to assemble, expand, and work in a variety of different setups.

WE BELIEVE THAT SEEING IS BELIEVING.

Pictured above is a full-scale cattle processing setup that includes heavy-duty Elite Panels, Elite Gates, new Rebel Equine panels, and a Tub and working Alley complete with a Silencer cattle chute and Stationary Loadout Chute.
