Confidentiality

Confidentiality is the understanding that information discussed and divulged at this Broken No More (BNM) Boot Camp remains accessible only to authorized individuals who were part of this Boot Camp.

Confidentiality is the vital component in ensuring trust, safety, and the power in the Holy Spirit to move and create group cohesion which is vital to the successful outcome of this group.

Gossip chokes the power and anointing of the Holy Spirit. Confidentiality is the agreement to not share what was discussed in group outside of the group. Confidentiality cannot be guaranteed in a group setting; therefore, please prayerfully and wisely consider your transparency.

“A man/ woman who lacks judgment derides his neighbor, but a man/woman of understanding holds his/her tongue. A gossip betrays a confidence, but a trustworthy man/woman keeps a secret” -- Proverbs 11:12-13

I have read the above and agree to not breach confidentiality.

What to Expect

Welcome to Broken No More! You can expect a weekend of freedom with counseling, prayer, worship, and declaring the Word of God for freedom! You can expect the power of the Holy Spirit to set you free in His power and Name! Broken No More Boot Camps are designed to train up individuals, children and marriages to war with the Word of God and win. Intense group work promotes spiritual freedom that is only accomplished through Jesus Christ.

Counseling Group Rules

This Boot Camp is going to bring God glory! However, we must be reminded that in a group setting, we are not to counsel or try to be another's Holy Spirit. You may offer advice outside of the Boot Camp, but as group participants, you may not dominate or try to fulfill a counselor's role. If you want to share a similar

experience, speak from your experience; but we will need to avoid phrases like, “You need to...”, or “I think you should...” Again, sharing, caring, praying and listening are powerful tools. God will guide the rest.

Last, we must respect and remember the time allotted for group. The goal is to hear from all members and not dominate group discussions. Silence can be a powerful place as the Spirit of God speaks!

Broken No More looks forward to leading you, side by side. We respect all of you and commend you for your dedication to freedom and future generations.

We are excited as a team to come along your side. Our expectation is in Christ, the One who heals and sets us free. Healing is never guaranteed or promised at a Boot Camp. However, the testimonies from past Boot Camps have always been incredible. We believe in the Biblical tools provided during this Boot Camp, and the Word of God, to assist you in finding freedom and maintaining freedom in Christ.

Sincerely,
