

## ABSALOM AS JESUS (PART 1)

- Absalom was the son of David just like Jesus also was the son of David.
- Amnon hated Tamar so much and caused her to live in shame and disgrace and took her purity as a virgin away from her just like the devil hated us so much and caused us to live in shame and disgrace and took our purity away from us causing us to be sinners.
- After a long time, Absalom avenged his sister from the one who hated her and faced death by the hands of all Israel on account of this just like after a long time, Jesus avenged us from the one who hates us and died by the hands of all Israel.
- Notice that Amnon did not know what was coming to him and was happy before his destruction just like the devil was happy and did not know what was coming to him before his destruction.
- After Absalom faced death by Israel, he was hidden in a certain place for 3 years and then returned and allowed to live just like after Jesus died, he was hidden in the tomb for 3 days and then returned alive.
- Absalom was brought back by the help of Joab just like Jesus was brought back to life by the help of the Holy Spirit.
- There was no one in all Israel like Absalom who was also without blemish just like in all the earth there was no one like Jesus who was also sinless and without a single blemish.
