

JESUS IN PSALM 23

Psalm 23

- God is his shepherd and watches over him
- He makes him lie down
- He returns his body(soul)
- He is righteous
- He repeats this by saying he is in a valley i.e. between two raised things on either side
- He is covered by death (shadow of death)
- God then stands or raises him ("with me")
- He repeats again that something is prepared and spread out for him in the presence of several people as God comforts and supports him
- He is anointed as a messiah
- No evil can ever befall him again, only good
- He dwells with God forever
