

WOMAN OF TEKOA AS JESUS

The woman of TEKOA was sent by Joab to mourn and make intercession for Absalom who sinned by killing his brother just like Jesus was sent by God to mourn and make intercession for us sinners.

The woman was forsaken by her husband as he had died just like Jesus was forsaken by his father.

She fell to the ground (fall is synonym for death in the Bible) likewise Jesus also died

She took the sin and guilt of another (David) upon herself and declared the sinner clean and innocent, just like Jesus took our sin and guilt of us sinners upon himself and declared us sinners clean and innocent.

She also made this intercession so the sinner (Absalom) would have continuing life and not die just like Jesus also made intercession so us sinners would have eternal life (continuation of life) and not die.

She declared that God will be with the newly clean and innocent David just like Jesus declares the Holy Spirit would be with us who are now clean and innocent.

She who was hidden from David (via pretence) was commanded to go to her house which implies she will have to first arise from the ground and leave that place and return to her home where she came from. Likewise, Jesus who was hidden in the tomb was commanded by God to rise from death and then return to his home that he came from.

After the fall and standing up again of the woman, a servant was sent to speak to Absalom who is a union of Jew and gentile (father Jew and mother gentile) and bring him to his inheritance and he was declared to be without blemish just like after Jesus death and resurrection, he sent his servants to bring both Jews and gentiles to our inheritance and he declared us to be without blemish.
