

BATHSHEBA'S SON AS JESUS

Bathsheba's Son

- Bathsheba had a son by someone who wasn't her husband
- Her son was sinless his whole life
- He was innocent yet died because of the sin of David
- David's sin is taken away because of the death of the child
- Since his sin is no more, by implication, the child's death has made him righteous
- He is spared from death and his life continues which is a picture of eternal life (look up the Greek words for eternal life)

Jesus

- Mary had a son (Jesus) by someone who wasn't her husband i.e. God
- Jesus was sinless his whole life
- He was innocent yet died because of our sin
- Our sins are taken away because of the death of Jesus
- Since our sins are no more, we are righteous
- We are saved from death and granted eternal life i.e. continuation of life.
