

## JONAH AS JESUS (PART 1)

### Jonah

- Men of Nineveh were sinners and faced death from the wrath of God
- Because of Jonah going into and coming out of somewhere (the city) after 3 days God's wrath was turned away from the sinners, who then became righteous, and their lives continued instead of ending. (look up the phrase "eternal life" in a Greek concordance).

### Jesus

- We were sinners and faced spiritual death from the wrath of God
- Because of Jesus going into and coming out of somewhere (the grave i.e. the place of the dead) after 3 days, God's wrath was turned away from us sinners who then become righteous, and we have eternal or continuing life instead of perishing.
