

BOY WITH UNCLEAN SPIRIT AS JESUS

Boy with Unclean Spirit

- Many people were gathered at the scene
- The son was the only child of the father
- He was troubled and suffered without speaking
- He was unclean because of another entity (spirit)
- He had faced death many times but wasn't able to be killed
- And he Died
- As a sign of Jesus's compassion for the people and help for the people, the son was raised
- He then went back to his father
- The people who witnessed what happened then marvelled and were amazed
- The unclean spirit left the boy permanently and didn't enter him again

Jesus

- There was a great multitude at the scene
- Jesus was the only son of the father
- He was troubled and suffered without speaking
- He was carrying sin which made him unclean (because he carried the sin of another entity, us)
- He faced death many times, but no one was able to kill him
- He eventually died
- As a sign of God's compassion for us, the people and help for us, Jesus was raised
- He then went back to his father
- The people who witnessed Jesus's death and resurrection marvelled at what had been done
- Jesus was permanently free from sin and will never carry sin again
