

## DAVID AS JESUS (PART 2)

### David

- One man's sin, David, brought sin on all the people
- God was angry with them, and they faced death because of this
- David was distressed as he interceded for his people
- David and some with him were naked wearing only sackcloth and they fall on their faces (look at screen for verses of how fall is a synonym for death in the bible)
- David asks for the punishment to be upon him and not his people
- David falls and rises on the third day by the command of God
- God then answered David's intercession and let his people live (gave them continuation of life) instead of them dying

### Jesus

- One man's sin, Adam, brought sin on all people
- God was angry with us, and we faced death because of this
- Jesus was distressed as he interceded for his people
- He and some with him (2 thieves) were naked wearing only underwear and they died
- Jesus took the punishment for us upon himself
- He died and rose on the third day by the command of God
- God then answers Jesus' intercession and gives us eternal life instead of damnation
