

ELIJAH AS JESUS (PART 1)

Elijah

- Because of One man, Ahab, doing evil in the sight of the lord (building an altar for Baal), all Israel did evil in the sight of God (worshipped at the altar of Baal in Samaria) and he brought punishment on all Israel through a famine
- Ahab, the ruler, sought to kill Elijah
- Elijah was then hidden and not seen for some time
- In the third year, Elijah came out from where he was hidden and was seen
- He was first met by one man, a servant of God, who proclaimed Elijah was his lord
- He told this man to go and tell someone else (Ahab)
- After the servant spread the message that he had seen his lord, Elijah, to Ahab, Ahab came to Elijah
- Elijah then told Ahab to spread the message to gather all the people, who turned their backs on God, to him
- After the people came to Elijah, he made known to them the sacrifice which he made to the God
- After the people were aware of his sacrifice, God turned their hearts back to him
- God then reverses his punishment and sends rain upon the land

Jesus

- Because of one man, Adam, doing evil in the sight of the lord, we also did evil in God's sight and God brought punishment on all men through death
- Pilate, the ruler, killed Jesus
- Jesus was hidden in the grave and not seen for some time
- On the third day, Jesus came out from the grave where he was hidden and was seen
- He was first met by one woman, a servant of God, who proclaimed that Jesus was her Lord
- He told this woman to go and tell his disciples
- After she spread the message that she had seen her lord, Jesus, the disciples came to Jesus
- Jesus then told the disciples to spread the message and gather all people who turn their backs on God to him

- After the people come to Jesus, he makes known to us the sacrifice which he made to God
- After we are aware of this, God turns our hearts back to him
- God then reverses his punishment of death and gives us life
