

## ISRAEL AS JESUS (PART 1)

### Israel

- Because of Israel's sins, God will hide his face and will not listen
- They were as dead people
- They are distressed and mourn
- They are departed from God i.e. by implication, God is not with them or forsaken them
- God places his spirit on them for ever
- They who were as dead ones, arise
- The gentiles i.e. the nations come to them
- God who was wrathful towards them now has mercy on them
- Whoever doesn't serve them will be destroyed
- As mentioned earlier, they were forsaken
- There will be a time of peace no longer violence in Israel
- All Israel's people shall be righteous
- They will multiply

### Jesus

- Because of the sins Jesus carried, God hid his face from him and didn't listen
- He died
- He was distressed and mourned
- God departed from him i.e. forsook him
- God's spirit rested on him
- He then arose from death i.e. resurrected
- The gentiles or nations then come to him
- God's wrath towards him turned into mercy
- Whoever doesn't serve him will perish
- As mentioned earlier, he was forsaken
- There is peace in him not division or fighting
- All his people are righteous
- His people multiply
