

JOSHUA AS JESUS (PART 1)

Joshua

- Because of One man's sin (Achan) of not listening to God's command, all Israel became sinners
- God's wrath was upon Israel and He wasn't with them, so they faced death, and some died
- Because of this Joshua tore his clothes (i.e. became naked)
- He fell to the earth together with some people (look at screen)
- They were underneath dust i.e. earth as dust was on their heads
- Joshua intercedes for the people because Israel had sinned because of the sin of Achan
- God Commands Joshua to rise up and he rises
- He tells him to make the people holy i.e. clean (Strong's H6942)
- Because Joshua listened to God's command, God's wrath turned away from the people and God was with them

Jesus

- Because of One man's sin (Adam) of not listening to God's command, all men became sinners
- God's wrath was upon all men, and he departed from us, so we faced death and some are eternally dead
- Because of this Jesus became naked
- He died together with some (2 thieves) and was in the heart of the earth
- He was under the earth
- Jesus intercedes for the people because we have sinned because of Adam's sin
- God commanded Jesus to rise from death
- After his resurrection he makes us clean i.e. holy
- Because Jesus listened to God's command of dying and rising, God's wrath turned away from us and God is with us (his people)
