

PARALYTIC MAN AS JESUS (PART 1)

Paralytic Man

- The man was stationary
- He was lifted up by 4
- This happened in the presence of a multitude
- The man was loosened all around (look up the word "Palsy")
- He was then lowered through earthen ware (look up the word "tiling")
- He then rose up
- This was also the presence of people who were amazed glorified God and feared him
- He then departed to his house
- All this happened so people will know sins were forgiven

Jesus

- Jesus was stationary on the cross as he died
- He was lifted up on the cross by 4, that is, his two hands and his two feet using nails
- This happened in the presence of a multitude
- Jesus was also loosened from the nails
- He was then taken to the tomb and lowered into the heart of the earth
- He arose
- This was also seen by his disciples who were amazed then glorified God and feared him
- Jesus then departed to heaven (his home)
- All this happened so people will know their sins were forgiven
