

WIDOW'S SON AS JESUS

Widow's Son

- Many people were present
- Near the entrance (gate) of the city there was a dead man
- He was the only Son
- His father wasn't with him (because his mother was a widow)
- The young man arose
- After he arose, he was first to speak (look up the Greek for the phrase "began to speak")
- This caused the people to fear and glorify God.
- They testified that a great prophet had risen
- They also knew that God had cared for his people
- It was then proclaimed in Judea and all the regions round about

Jesus

- Many people were gathered
- Near the entrance (gate) of Jerusalem Jesus died
- He was the only son of God
- God wasn't with him as he forsook him
- Jesus rose from death
- After he rose, he was the first to speak about what happened
- The events caused the disciples to fear and glorify God
- They testified that Jesus was Greater than all and was risen
- They knew God cared for them
- Their message was then proclaimed in Jerusalem and in all the nations round about
