From the President: What is summer to you? Maybe it's sunshine and swimming or a trip to the beach with family or long summer nights listening to frogs calling and looking for fire flies in the yard. It can be a time to relax and read a good book while sipping sweet iced tea or fresh lemonade. There are so many things to enjoy in the good ole summer time. But the weather in July and August can be hot, so it is a perfect time on a hot summer day to sit and sew and finish your quilts for our annual quilt show. Picnics too are a great summer activity and I hope to see you at our Guild picnic on Saturday, June 23, 2018! It is always great fun! Don't miss it.

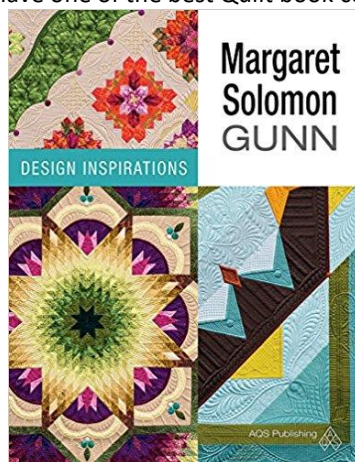

Kathy Hamby  
WCQ President

Program Coordinator: Members, I hear there are some mighty fine dressed creatures that will be attending our next meeting. Please bring your stuffed "beings" to the next meeting completely dressed. Remember to name your friend and give them a story. **Attach their name and story to their outfit. Put the number on the outfit so we can check them in.** I look forward to meeting all our stuffed "beings." I'm sure they'll be adopted from our quilt show. Thank you to each one who took one or more to dress.

I hope you have had fun with your teams putting together fabric baskets. I look forward to seeing all the beautiful and creative baskets you have put together. Please bring them to the next meeting to be entered in the running for prizes. Your baskets will be a big hit at the quilt show for shoppers to purchase ready made gifts. **On a 3 x 5 card ( or something like that) 1. Put the name of the basket. 2. Who's on the team that made the basket, and 3. What's in the basket.** By knowing what's in the basket, Theresa and team will determine what to price the basket for the boutique.

Shirley Camenzind  
Program Co-ordinator.

Library: You will want to check out and drool over this new book at the Wilkes County Public Library. Margaret Gunn is an award winning quilter as you can tell from the pictures on the cover. The quilting is magnificent and there are lots of ideas to take away from this book. This book was purchased with funds donated by our Quilt Guild. Come check it or any of the many other quilt books at the library. We have one of the best Quilt book collections in the state....largely due to WCQ!

Quilt Show: QUILT SHOW BED TURNING: This year we are celebrating our Guild's anniversary by naming this year's Quilt Show "Turning 20". With that in mind, we are changing the bed turning a little for this year. Instead of showcasing vintage quilts, we would like to showcase past winners of our annual quilt shows. If you are a past First Place winner in either the Large Bed Quilt or

the Small Bed Quilt categories OR a Best in Show winner from any past show and would be willing to let us include your quilt in the Bed Turning, please let me, or Lynn Osborne know.

Quilt Show Registration forms will be available at the June meeting. The completed forms are due back at the July meeting. Quilts do not have to be complete at this time so give the best description you can. If any changes need to be made you can call me or email me the changes later.

If you have spare Fat Quarters we would love to have them as a donation for WCQ's Grand Prize drawing.

Thank you, Lynn Osborne
