

Meeting Date: Nov. 27, 2018
Time: 1:00 pm and 6:00 pm

Kulynych Family Life Center
(across from the courthouse)

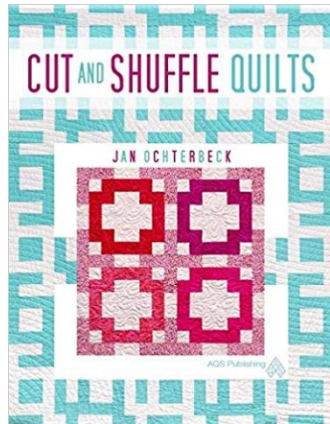

Courthouse Dr.
Wilkesboro, NC

From the President: November is here! I wish all of you a blessed Thanksgiving with family, friends and lots of great food! On Thanksgiving morning, I enjoy watching The Macy's Thanksgiving Day Parade, while I finish cooking for my family. Between watching the parade, spending time with family and watching Home Alone, I get in a holiday mood in time for some Christmas shopping on Black Friday, Saturday and Cyber Monday. As Quilters we can make some of our gifts. Mug rugs, soup bowl cozies, coasters, pot holders, pillows, totes, pillowcases and quilts make a one of kind gift from the heart! Happy Sewing "Quilter Elves"

WCQ President

Program Coordinator: With many of our big events behind us and the year coming to a close, we still have one more meeting to get in something good. Making a quilt has so many important steps to make a complete project. One of the last but not least steps is doing a great label. There are so many creative and fun ways to do labels. They're an important part of historically dating the provenance of your quilts. After you have this tutorial, you'll look forward to making this final step the best step.

Your surveys gave us some good insights to what you would like to see next year. We'll do our best to bring it to you.

Library:

This is a great book for when you just want something that will sew up quickly and yet still look impressive. It all starts with one "mama block" and then it's all in the cutting and re-piecing. Would make a great baby or gift quilt.

Quilt Show: If you entered a quilt in the show your quilt had a card with the information about the quilt, held in place with a clothes pin with the guild logo on it. Please return those clothes pins to us at the next meeting, so that they can be used again next year. Every penny saved helps out. Thank you.
