**From the President:** Hopefully you will never be as nervous as I was at the January WCQ meeting. Thank you for the encouragement, especially Kathy Hamby, and for your participation at the meeting.

Since then, I have been looking at the committee sign-up sheets. Thank you to those who have already signed up. The sheets will be out again this month. Please sign up for at least one committee. It's a good way to have a say in what happens and get to know each other.

Our guild meetings are cancelled if Wilkes County Schools are closed due to inclement weather. If schools are on a delayed schedule, we will meet as usual.

May all your cutters and scissors be sharp..

Brenda Willis  
President

**Membership:** We are starting a new fabric drawing this year. Everyone may bring up to 3 - 2 1/2 inch x WOF strips to the meetings. You will receive a ticket for each strip for a chance to win! This will be fun for all of us

Also, just a reminder, if you have not paid your dues yet, they are due in February. The amount is \$25.00 for the year. Junior member the dues are \$12.50.

Becky Ball, Membership chair

**Quilt Show:** The Quilt Show Committee met on February 11<sup>th</sup> and selected a name for this year's quilt show, we had 68 names submitted. The name is: "**2020 Visions of Beauty**", submitted by Lynn Osborne. I will hand out information on quilt categories and sizes at the meeting, they will also be on the web as a download.

**Quiltmakers:** I would like to meet with the 2020 Raffle Quilt Committee for about 15 minutes after the meeting on Tuesday.

**Ways and Means:** We are working together to Build Our Boutique. The suggested item to make for March - Table Runners or Mug Rugs. It doesn't have to be a complicated pattern to be appealing. Holiday themed or "eye catching" fabrics will give it a wow factor that will sell. Looking forward to seeing an abundance of pillows at Show & Tell!!!

Kathy Hamby

**Yahoo Chat Group:** We now have 45 members on the Google Chat Group. I worked with Phillip from Double Edge Technology Friday afternoon, I thought that maybe I had something checked incorrectly on the google site because I could not do a search and find our site. Everything was correct and he is not sure why we cannot find it in a search, unless it is taking Google more time to add the site. He is not sure why some of you have not responded to your invitations. We need

all guild members to become a member of the group, the reason for this is because it is the fastest way to reach everyone. For example: Brenda may need to get in touch to let everyone know that she needs to have a board meeting that was not planned, our bylaws states that members must be notified of all board meetings. Committee Chairman need to remind members of their committees of a meeting. It is especially helpful before the Quilt Show and sometimes a member may need a quilt pattern and needs help finding it. If you have not received an invitation and want to be a member of the group, please send me an email and let me know. I can just make you a member of the group, but I must have your permission first.

If you joined after the roster was made available in the spring, I will not have your email, so you will also have to let me know that you wish to be a member of the group.
