

Wilkes County Quilter's 2021 Quilt Show

“Quilts: Love Made Visible”

Challenge Registration

“Put a Heart On It”

These are certainly challenging times for all of us. As quilters we all are amazing. Let's concentrate on kindness, heartfelt actions we have witnessed or heard about over the last few months. So much of our heart and soul gets quilted into our work. Let's show it and send an inspirational message of hope, love, support, and kindness.

Maybe you heard one of many heartwarming stories. Maybe you are one of those stories. Maybe you need to heal. Let's concentrate on the positives. Your quilt can be serious or amusing. Express yourself. It's your story to tell. The options are endless for creativity, imagination, design, and construction. But above all. Have Fun.

There must be at least one heart on your quilt, but you can certainly have more.

Details:

2. It must be designed and completely made and quilted by you.
3. It should not be more than 36" on any side.
