You have finished that Ebenezer quilt top and now it needs to be quilted. You sew using a domestic sewing machine. During our August program, Rosalee Reavis will talk about some simple ways to quilt our Ebenezer donation quilts using our domestic machines. These methods can also be used to quilt table runners, doll quilts, pot holders, etc. There will be drawings at the end of the afternoon and the evening meetings for jelly rolls. See you August 23rd!

Intraquilt News - Shirley

I'm looking forward to all the great Quilter's crests' that will be entered in the Challenge category of the quilt show. An early thanks to each of you that took the time and energy to make an entry.

I know everyone is finishing their quilt entries for the quilt show this month. However, I'm reminding you of the Christmas ornament exchange. We will do this at the joint October meeting. The ornament can be hand made or store bought. A quilt theme would be nice but not required.
