
HOW TO: hudl

1. Login
2. Select "Video" Tab
3. Choose game film
4. Pause film at a highlight
5. Hit "Create Clip" (Bottom Right)
6. Rename clip (Ex. steal/pass/shot)
7. Create a clip for every HL on the film
8. When done hit "SEND TO HIGHLIGHTS" (Top Right)
9. Select your name on roster that pops up
10. Click "add clips" (Bottom Right)
11. Highlights have now been sent & you need to go to player videos
12. Hit "Create Highlight" (Top right)
13. Click the "+" then select "video" & "add clips to reel"
14. Edit each clip and put them in order (BEST PLAYS FIRST!!!)
15. When complete hit "Publish"

TIPS !

Highlights should be a HIGHLIGHT
Not just any play you are supposed
to make.

No pictures / articles etc. at the
beginning . Recruiters only watch
roughly the first minute before they
decide if they like what they see!

Make sure name, high school name,
year, & contact information are
clearly visible on your highlights.
