

## OCGSRW Presents Our 2026 Scholarship Awardee

By Marilyn Parker

OCGSRW is proud to award our 2026, \$3,000 Scholarship to **Abbey Kimmel** of Laguna Hills High School. Abbey will be attending UCLA in the Fall and will be studying Political Science. She has been active at her high school participating in Model United Nations events debating issues that are prevalent in today's society. Abbey served as the Secretary General and helped organize and run the program on campus. In addition, she is a member of Turning Point USA Chapter, as Treasurer, and wants to stay involved with what is going on with politics in our world. The Scholarship team was impressed with Abbey's many interests and excellent grades plus her vibrant personality! Everyone will have the opportunity to meet Abbey at our Luncheon Meeting on June 17 along with her parents who most certainly are proud of their daughter and her many accomplishments!
