Sign the petition to get it on next year's ballot. Ask any club board member about helping to get Petitions / Signatures!!!

We need to collect a million signatures statewide to get this Voter ID initiative on the 2026 Ballot. This measure would establish additional voter identification and citizen verification requirements. It would amend the California Constitution to further require that: voters present government issued identification at the polls or the last four digits of a government issued identification number when voting by mail.
