

Our Packaging and Product Usage Policy

Embellir cares about our environment; therefore, whenever possible, our product packaging is chosen with recycling in mind.

Please...

- *Reuse our glass jars for other things*
- *Request refills, where available*
- *Return our glass jars to us for recycling, jars only*
- *Save any and all unneeded literature and paper products and take to your nearest recycling station*

At Embellir our products are made with the purest and most natural ingredients available and because of this, their shelf life is limited; so please use our products in a timely manner to achieve all the wonderful benefits of the “live” ingredients.

Please be sure to....

- *Use our products up in a timely manner*
- *Always check for any spoilage and discard if found*
- *Be aware of the expiration date on the product if one is provided*
- *Call 901.687.3310 for any questions or concerns*

Shipping Damage and Discrepancy Policy

Embellir meticulously checks and re-rechecks each order to ensure accuracy prior to shipping. Our items are also packed with care to ensure that they arrive in perfect condition.

However...

mishaps can occur. Please adhere to the following guidelines if there is damage or a discrepancy pertaining to your shipment.

1. *Report the problem within 48 hours of receipt of shipment. Call 901.687.3310*
2. *For damage, save all the packing materials and the damaged product(s) for UPS or USPS inspection*
3. *We desire your complete satisfaction! If you are unsatisfied for any reason, please call us.*
