

BIBLE STORY TIME!

Noah's Ark

A long time ago,
there were many
wicked people.

That made God sad.

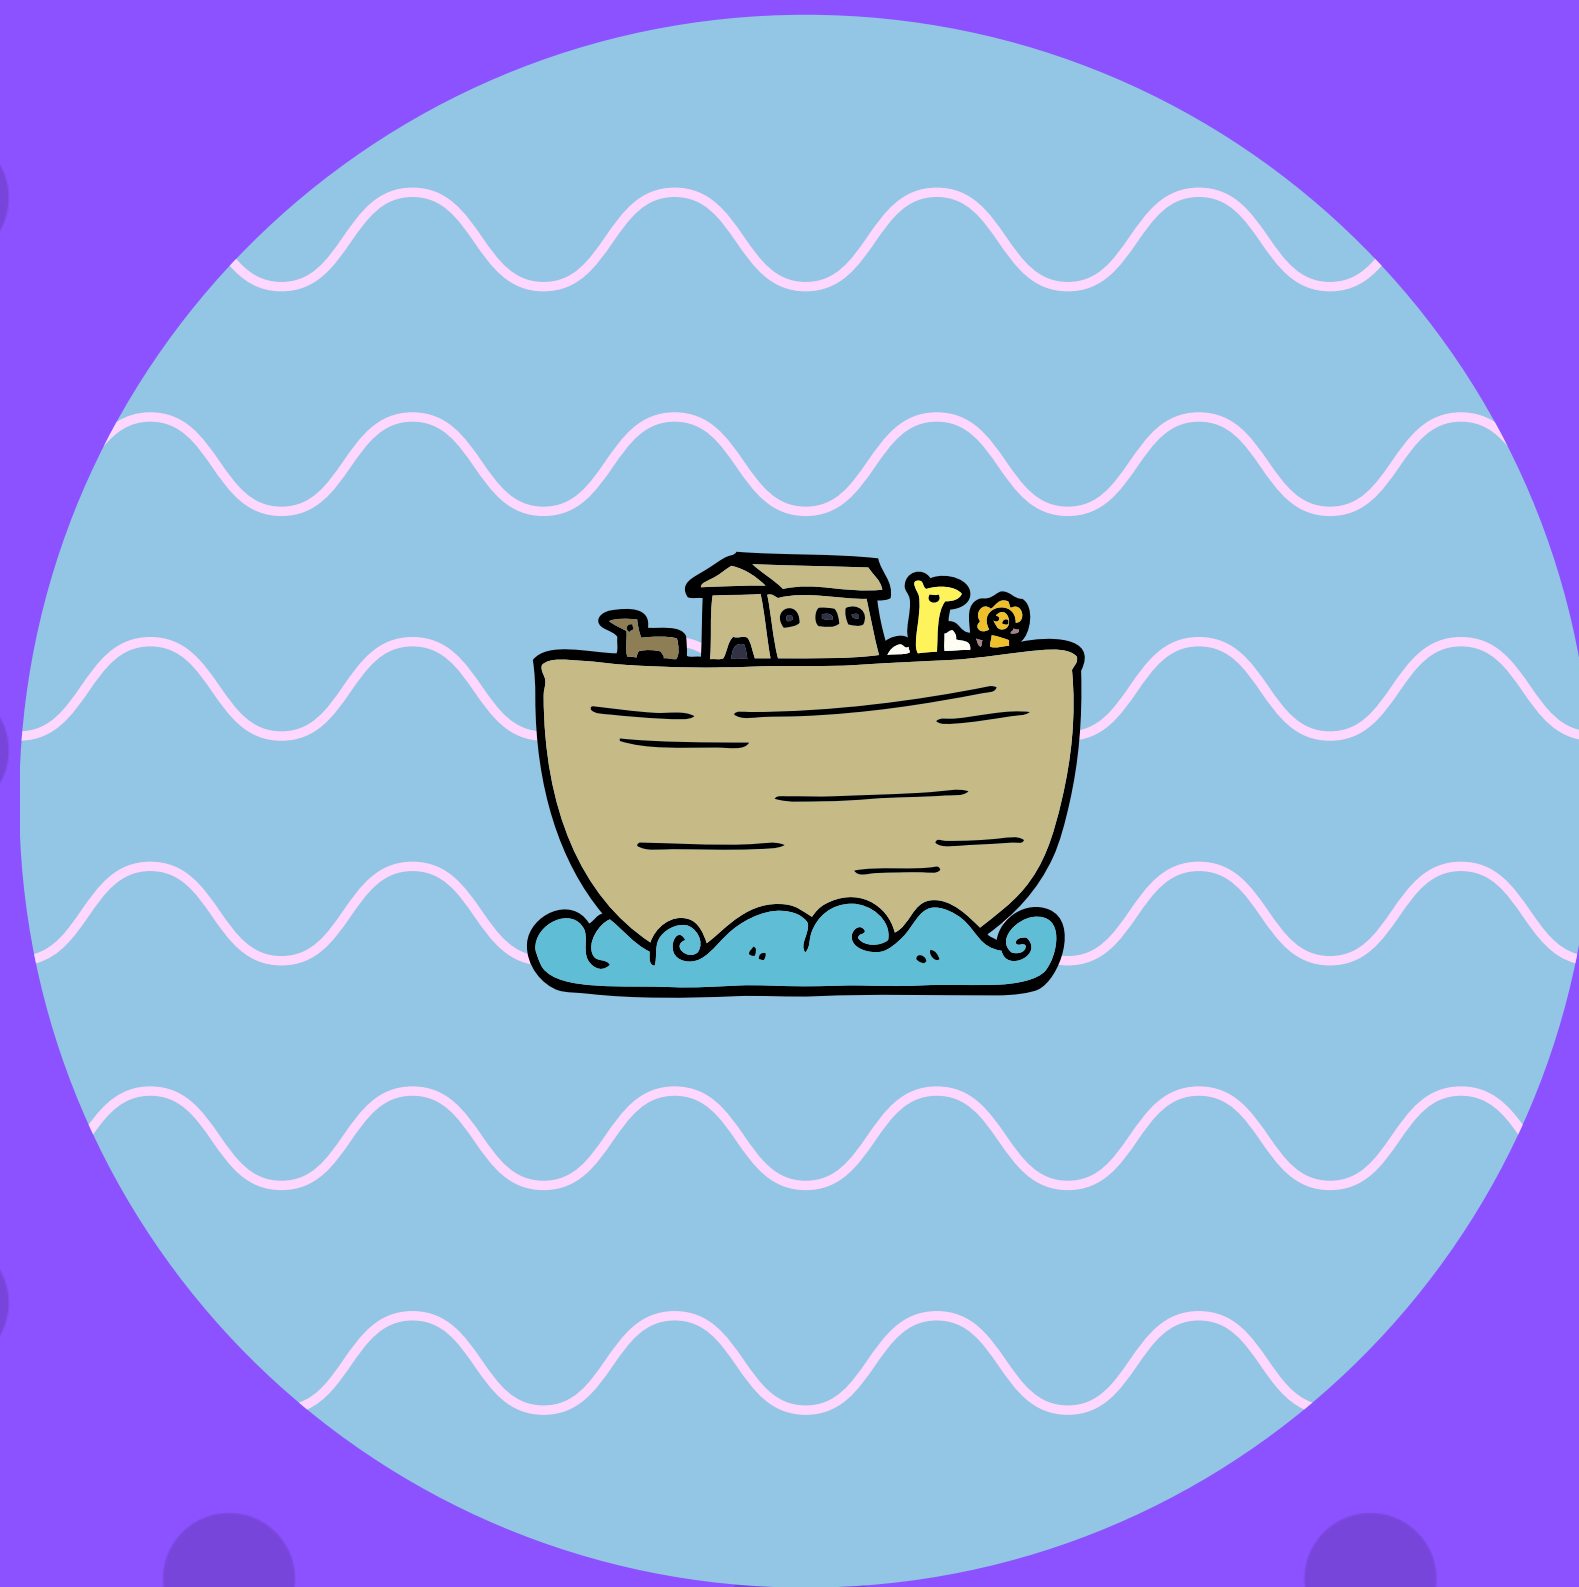

Everyone was
wicked, except
for Noah. He was
a good man.

So God told Noah to
build an ark.

God told him that a big
flood was coming.

Noah tried to warn
people of the flood.
But they did not listen.

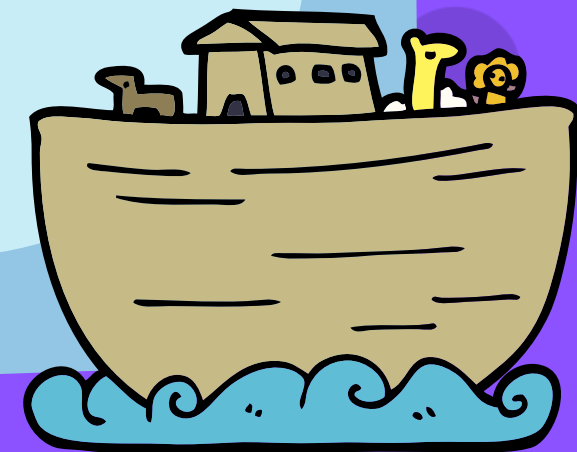

God asked Noah to
bring his family, and
two of every animal
on board.

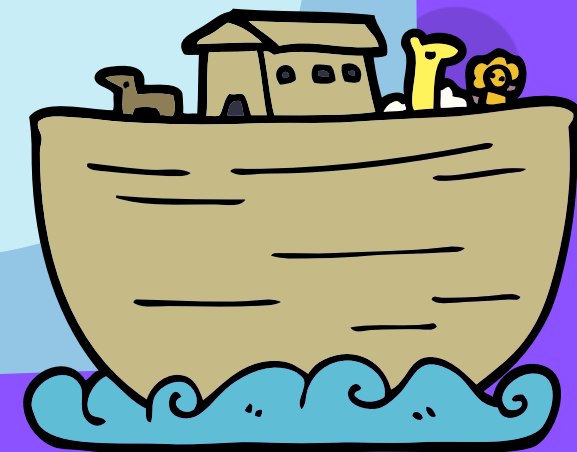

The background is a solid purple color with a pattern of darker purple circles. In the upper left, there is a large, fluffy brown cloud. To its right is a bright yellow sun. Below the sun and cloud is a light blue rectangular area representing the sky. Inside this sky area, there is a large, light blue rounded rectangle containing the text. To the left of this rectangle, several short, slanted teal lines represent rain falling. In the bottom right corner, there is a cartoon illustration of Noah's Ark, a brown wooden boat with a small house on top, floating on blue waves.

When they were
safe in the ark,
it began to rain.

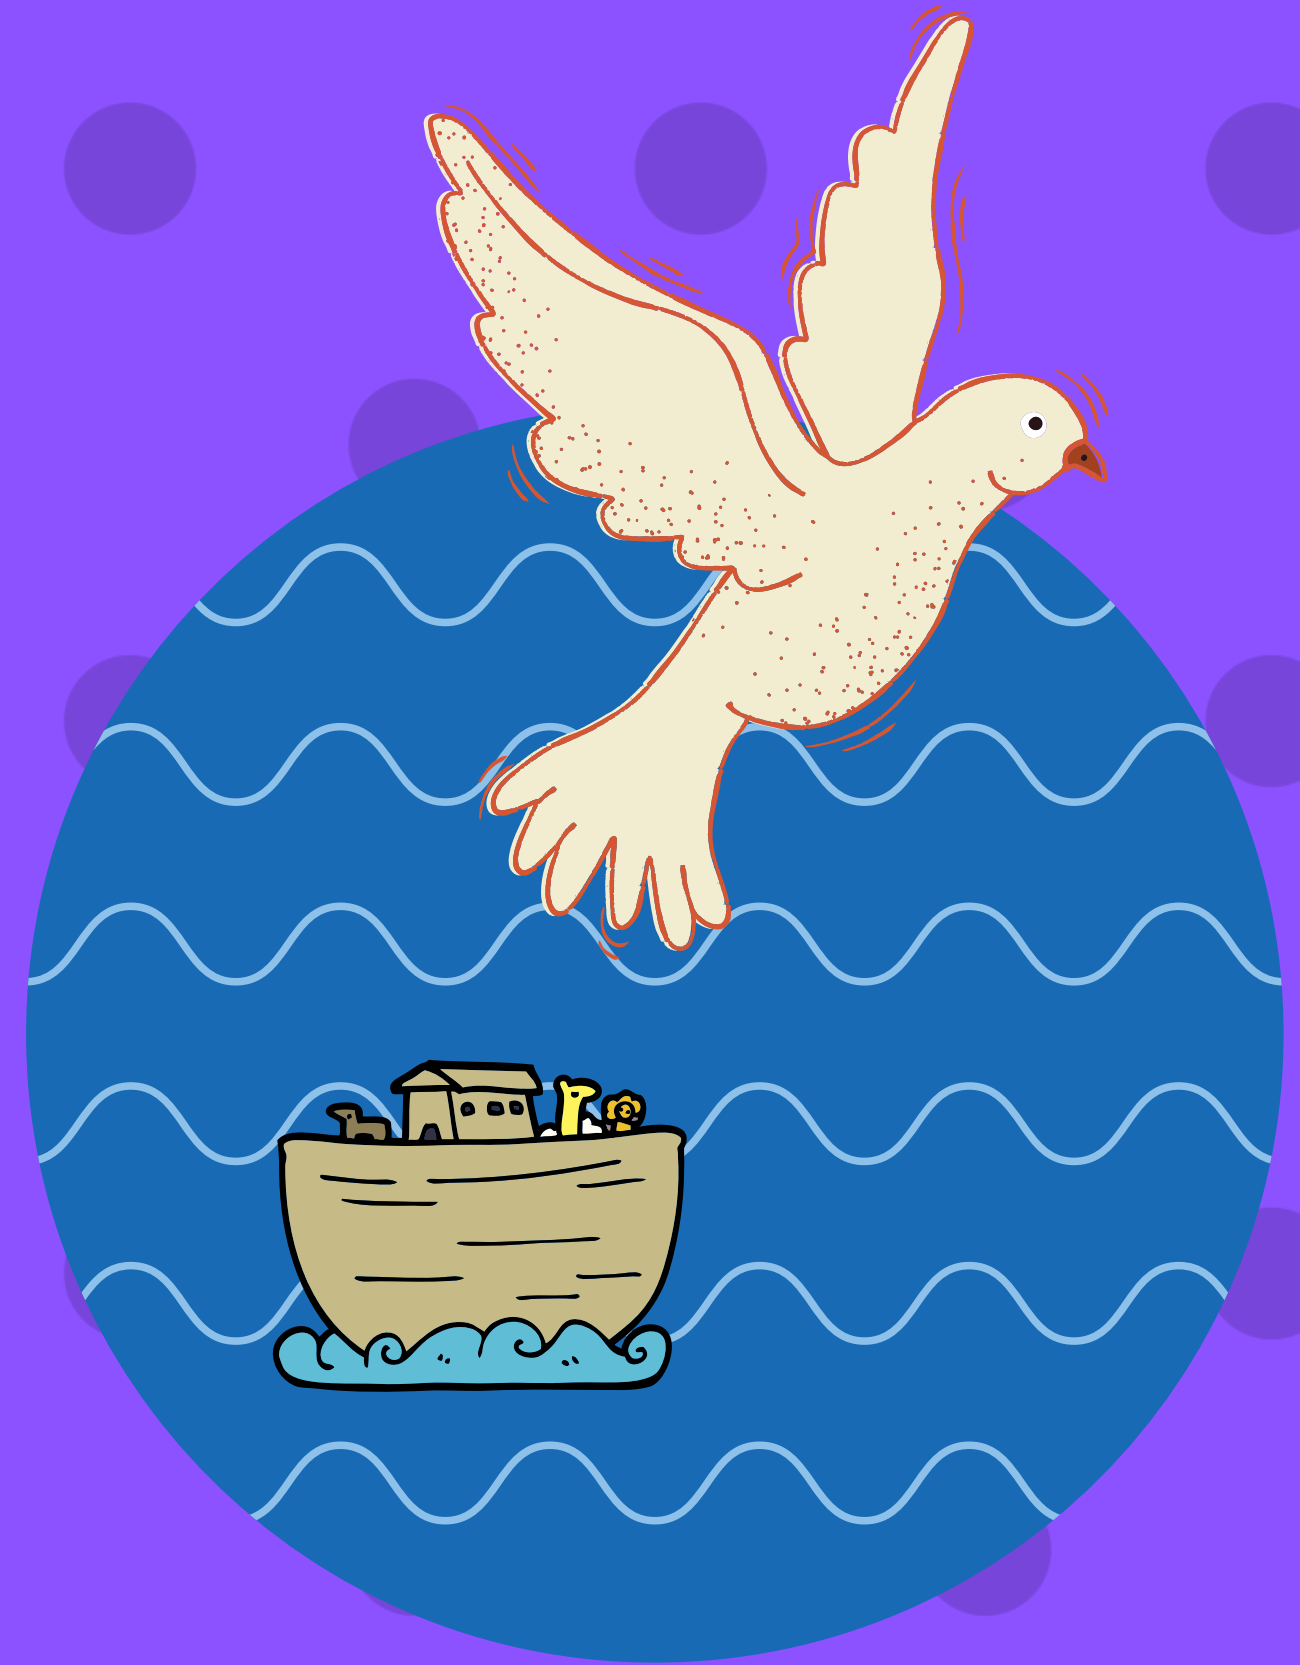

It rained for 40 days and
nights. Soon, the Earth
was covered in water.

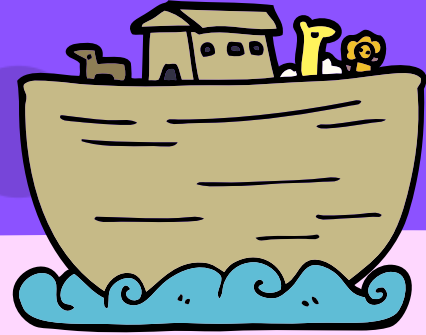

After many
months, Noah
sent a dove out
to look for land.

The dove came back
with an olive branch!
The water was low
enough for an olive
tree to grow.

Noah thanked God for keeping his family and the animals safe after all these while.

THANK
YOU

Then, God put a rainbow
in the sky to promise that
He will never flood the
world again.
