DERMAFORCE

RF MICRONEEDLING

Boost Collagen. Transform Skin.

Dermaforce is an advanced RF microneedling treatment that stimulates your body's natural collagen and elastin production for firmer, smoother, younger-looking skin.

THE BENEFITS

- Boosts collagen & elastin
- Tightens & firms skin
- Reduces fine lines & wrinkles
- Improves skin texture & tone
- Minimises pores & acne scars
- Safe for all skin types
- Natural results with no downtime

FULL FACE

3 Sessions

is a great difference!

For optimal results, we recommend a course of 3 sessions spaced 4 weeks apart.

YEARS WORTH OF COLLAGEN – EACH SESSION

Each Dermaforce session stimulates up to 1 YEAR of natural collagen production.

3 sessions can deliver up to 3 YEARS worth of collagen remodelling!

Stronger, firmer, smoother skin – that keeps improving long after your treatment.

EVERY SESSION IS YEARS WORTH OF COLLAGEN

AFTERCARE

Your Results. Your Care.

Following your treatment is just as important as the treatment itself. These aftercare guidelines will help you heal beautifully, maximise your results and minimise any side effects.

GENERAL AFTERCARE – FOR ALL TREATMENTS

BE GENTLE
Avoid touching, rubbing or massaging the treated area unless advised.

AVOID SUN & HEAT
Stay out of direct sun, saunas, hot tubs and steam rooms for at least 48–72 hours.

KEEP IT CLEAN
Use gentle cleanser and cool water. Avoid harsh products, acids or exfoliants.

STAY HYDRATED
Drink plenty of water to support healing and enhance your results.

MOISTURISE
Keep your skin hydrated with a soothing, gentle moisturiser.

BE PATIENT
Natural collagen production takes time – results improve gradually.

AFTERCARE GUIDE BY TREATMENT

DERMAFORCE
RF MICRONEEDLING

- Redness may last 24–48 hours.
- Avoid makeup for 24 hours.
- No active skincare (retinol, acids) for 3–5 days.
- Avoid sun exposure for 5–7 days.
- Keep skin hydrated and protected.

CO_2 LASER
RESURFACING

- Redness, heat & swelling are normal for 3–7 days.
- Skin may bronze and flake/peel – do not pick.
- Keep the area clean, cool & moisturised.
- Avoid sun for at least 4 weeks.
- Use SPF 50 daily.

IPL
TREATMENT

- Redness may occur for a few hours.
- Avoid sun, heat & exercise for 24–48 hrs.
- Use SPF 50 daily.
- Pigmentation may darken before it improves.
- Keep skin calm and hydrated.

ENDO FIBRE LIFT

- Swelling, bruising or tenderness is normal.
- Avoid strenuous exercise for 3–5 days.
- Wear support garment if advised.
- Stay hydrated & avoid alcohol.
- Results improve over 3–6 months.

FAT DISSOLVING
INJECTIONS

- Mild swelling, redness or tenderness is normal.
- Avoid exercise, heat & alcohol for 24–48 hours.
- Stay hydrated.
- Massage may be recommended after 48 hours.
- Multiple sessions needed for best results.

ADVANCED AESTHETICS

INJECTABLE TREATMENTS AFTERCARE

FOLLOW THESE GUIDELINES TO ENSURE THE BEST RESULTS AND MINIMISE SIDE EFFECTS

FILLER TREATMENTS

Enhance. Restore. Refine.

WHAT TO EXPECT

- Mild swelling, redness, tenderness or bruising is normal and can last 1–7 days.
- Small lumps or firmness may be felt – this usually settles within 1–2 weeks.
- Results are visible immediately, with final results seen after swelling has settled.

AFTERCARE GUIDELINES

- ✓ Avoid touching, pressing or massaging the treated area for at least 24–48 hours (unless advised).
- ✓ Avoid makeup for 12–24 hours.
- ✓ Avoid alcohol, intense exercise, saunas, steam rooms and hot tubs for 24–48 hours.
- ✓ Sleep slightly elevated on your back for the first night to help reduce swelling.
- ✓ Avoid excessive heat (sunbeds, very hot showers) for 48 hours.
- ✓ Stay hydrated and avoid blood-thinning supplements (fish oil, vitamin E, aspirin) for 24 hours if possible.
- ✓ Use a gentle skincare routine and keep skin moisturised.

WHEN TO CONTACT US

Please contact us if you experience:

- Excessive swelling, pain or bruising
- Lumps that do not soften after 2–3 weeks
- Signs of infection (redness, warmth, pus)
- Any concerns or unusual reactions

TOP TIP

Book a review in 2 weeks if needed – we want you to be 100% happy with your results.

ANTI-WRINKLE (BOTOX) TREATMENTS

Smooth. Relax. Prevent.

WHAT TO EXPECT

- Mild redness or small bumps at the injection sites may occur.
- Results begin to appear in 2–5 days, with full results visible at 10–14 days.
- Results last on average 3–4 months.

AFTERCARE GUIDELINES

- ✓ Do not lie down or bend forward for 4 hours.
- ✓ Do not touch, rub or massage the treated areas for 24 hours.
- ✓ Avoid strenuous exercise, saunas, steam rooms and alcohol for 24 hours.
- ✓ Avoid hats or tight headbands for 24 hours.
- ✓ Normal facial movements are fine.
- ✓ Avoid facials or other treatments for 24–48 hours.

WHEN TO CONTACT US

Please contact us if you experience:

- Severe headache
- Drooping or weakness in areas away from the injection site
- Signs of infection
- Any concerns or unusual reactions

TOP TIP

A 2 week review is recommended to check your results and discuss any top-up if needed.

Avoid alcohol & blood thinners 24 hours before and after.	Avoid intense exercise, saunas & heat for 24–48 hours.	Do not touch or massage the area.	Avoid makeup for 12–24 hours.	Protect your skin from the sun and use SPF.	Give your results time – patience is key!

WE'RE HERE FOR YOU

Your safety, comfort and results are our priority.
If you have any concerns, please contact us.
